## President's Message

As DMA begins its new program year, a big thank you goes out to Scott Hutchason and the outgoing Board for leaving our organization in such excellent shape. Membership grew last year by a net of 25 to 297. Our financial condition is sound. We have healthy participation in our activities, including several that were initiated in the past year or two.

Of special note, our communications efforts have progressed considerably over the past year. Ray Meurer and his team have enhanced newsletter development, including electronic distribution. The newsletters are chock full of information about upcoming speakers, new member profiles and activity updates. Those who prefer

hardcopy of the bimonthly newsletter may pick one up at the Membership Desk on Wednesdays. Also thanks to Ray, we now receive timely emails with news and updates regarding speakers, activities and events. If you have any items for email distribution, please let Ray know.

Similarly, Gary Banks has led the effort to evolve the DMA website in terms of added content and easier navigation. We plan to continue the emphasis on making our website ever more useful and user friendly for our members. Ray and Gary both are looking for “new blood” to join them in these efforts. If you have an interest in participating, please contact Ray and/or Gary.

We have another slate of excellent speakers lined up for the coming year thanks to John Wolcott and his committee. The speaker calendar is fully booked through December, with many dates in the winter and spring also booked.

Some of you have asked if spouses may attend just the speaker portion of our meetings from 10:45 a.m.-noon. The answer is “Yes.” Starting September 6, spouses are invited to do so. However, you and your spouse are urged to carpool because parking is limited. Spouses can wait in the Guest Waiting Area just off the foyer during the business part of our meeting or leave and return at 10:45 a.m. to hear the speaker.

Let me conclude by thanking all activity leaders and their committee for their hard work and contributions to making DMA the jewel that it is. I look forward to a year filled with fun and fellowship.

**Tom Lom, president**

## Events and Activities

### Annual Cookout

**Alex Garnett** reports that 230 members and spouses, including 15 widows, attended the annual cookout June 15, 2017 at Weed Beach. Weather was perfect. Food was great. A good time was had by all. See photos of the event at the end of the newsletter.

### Bowling

**Tom Lom** reports that after a summer respite, bowling will restart Tuesday, September 5, 2017, 9:15 a.m., at the Nutmeg Lanes, Fairfield, Conn. All are invited to join in.

### Bridge

**Tony Kwedar** notes the Bridge group continued to meet through the summer months. Members get together Tuesdays, 1 p.m., at St. Luke’s Church in the library. The cards will be shuffled and dealt as usual in September and October.

## Veterans Honored at Award Ceremony

Photo by Michael Poler

Wartime Service Ribbons were presented to 21 DMA veterans on May 17, 2017, by Lt. Col. Sean Connolly, Commissioner of the State of Connecticut Department of Veterans Affairs, and Darien First Selectman Jayme Stevenson. Medal recipients included John Barston, John Bartlett, William Bellis, Richard Constable, John Davidson, Thomas Dunn, Alex Garnett, John Geoghegan, Stephen Gravereaux, Kent Haydock, John Hess, Frank Johnson, Gerrit Lydecker, Albert Metayer, Charles Scribner, Edward Spurgeon, Lawrence Story, Howard Thompson, Peter Wells, Thomas Williams and John Wolcott.

## Hiking

**Sunil Saksena** says he is planning three hikes for September and October. To encourage broad participation, two will be relatively easy. The third hike will involve a higher level of difficulty and will appeal to the more experienced hiker. The hikes are planned for **September 15**, **October 6** and **October 27**. Time, place and other details will be announced at the DMA meetings. As always, spouses are invited to join in.

Photo by Harvey Mogenson

The last hike in the spring was at the Babcock Preserve in Greenwich. It is a 300-acre tract of forested land north of the Merritt Parkway.

## Community Service

Photo by Gregory Glashan

**Jack Fitzgibbons** said DMA members marched in the 2017 Darien Memorial Day Parade and that there was a good turnout for the National Association of Letter Carriers Food Drive despite the rainy weather. It is one of the largest events of the year for Person-to-Person (P2P) in Darien. The drive helps keep the food pantry stocked for the summertime. Darien residents leave bags of groceries at their mailbox to be picked up by volunteers for delivery to P2P to be unloaded, sorted and shelved. Jack notes that other Community Service activities during the year include Darien Spring Cleanup, Repair of Darien Christmas decorations and Bell Ringing at Palmer's Supermarket. No activities are scheduled for September or October at this time.

## Book Club

**Harris Hester** reports the Book Club will discuss *The Things They Carried* by Tim O'Brien on Wednesday, **September 13, 12:30 p.m.**, at the Mather Center library. A classic work of American literature that has not stopped changing minds and lives since it burst onto the literary scene, the book is a ground-breaking meditation on war, memory, imagination and the redemptive power of storytelling. On **October 11, 12:30 p.m.**, at the Mather Center library, the club will discuss *Killers of the Flower Moon: the Osage Murders and the Birth of the FBI* by David Grann. *The New York Times* called the book "... disturbing and riveting. ... Grann has proved himself a master of spinning delicious, many-layered mysteries that also happen to be true. ... It will sear your soul." Both books are available now at the Darien Library. Look for them in the reserve section behind the main desk.

## Computers

**Ed Mulock** and the Computer group took the summer off and will meet again starting September 12 and every Tuesday after that at 10 a.m. in the Mather Center computer room. Ed always enjoys helping DMA members with any computer-related problem or question.

## Golf

Photo arranged by Tom Lom

**Denny Devere** and **Peter Carnes** organized three terrific golf outings with wonderful camaraderie in June, July and August. Venues were Sterling Farms, Woodway Country Club and the Country Club of Darien (CCD), shown above. Each outing was very well attended and recently saw 28 DMA members teeing off at the CCD. Overall, it was a great summer of golf for our members. For September, Peter is looking into organizing a golf outing at Sterling Farms. The date and tee time will be announced later.

## Current Affairs

**Jim Phillips** reports that the Current Affairs group will discuss “Comprehensive Immigration Reform: Challenges and Problems” on Thursday, September 28. The discussion leader is **Charlie Goodyear**. The Current Affairs group meets at 8 a.m. in the Lillian Gade Room, second floor, Darien Community Association. The focus of the discussion is to talk about information that is relevant, not to debate the pros and cons of an issue. The discussion leader maintains this focus and posts reference material on the DMA website that participants can read prior to the meeting.

## Happy Wanderers

Photo arranged by Gregory Glashan

**John Barston, Joe Spain and Taylor Strubinger** led the Happy Wanderers on two wanderings in May and June: City Island, shown above, and the Hudson River Greenway. Starting in September 2017, the Happy Wanderers will hold their events on the third Tuesday of the month to avoid conflicts with other DMA activities. On **September 19**, the destination is the Walkway across the Hudson River followed by lunch at the Culinary Institute of America. The walkway is a former railroad bridge that was turned into a walking bridge connecting Poughkeepsie, N.Y., with Highland, N.Y. On **October 17**, the wandering will be in Central Park. On **November 21**, the group will wander Chrystie Street and Second Avenue starting from the Manhattan Bridge. Committee members will fill in more details at the Wednesday meetings.

## Speakers September-October

**Wednesday, September 6, 2017**

**Lennie Grimaldi**, an award-winning journalist, will talk about his new book, *Connecticut Characters: Personalities Spicing Up the Nutmeg State*. Lennie's book chronicles 40 years of spicy personalities, from political chili peppers such as John Rowland and Joe Ganim to pop culture cloves Linda Blair and Ed and Lorraine Warren. He also describes in colorful detail Hells Angels and certain mobsters – and he takes the reader on a journey into the underbelly of cities and to the wooded terrain of wilderness warriors. He covers the FBI and Donald Trump, too. When 19-year-old Lennie tried to land an exclusive interview with 18-year-old actress Linda Blair following her arrest on drug charges, he camped out near the women's bathroom at a Westport bar. "The Exorcist" star gave him the interview. When Lennie needed color for a *Connecticut*

*Magazine* profile of mobster Frank Piccolo, Lennie crashed Piccolo's wake. When Bridgeport's sweet-and-sour Police Chief Joe Walsh refused an interview request, Lennie sent Walsh a singing telegram – and got the interview. These stories and more are chronicled in Lennie's most recent book that captures four decades about some of Connecticut's most intriguing characters. Lennie is an award-winning journalist whose work has appeared in hundreds of newspapers and magazines, including *The New York Times*, *TV Guide*, *Yankee* magazine and *Connecticut Magazine*. He also served as a media consultant to Donald Trump in the mid to late 1990s. Lennie is the founder and host of the webzine *Only In Bridgeport*, devoted to government and politics in Connecticut's most populous city. He also wrote *Bow Tie Banker*, a biography of David Carson, retired CEO of People's Bank, and *Chased*, the life of mob infiltrator Billy Case. Lennie is the author of *Connecticut Whistle Stops: Greenwich to New Haven* and *Only In Bridgeport, An Illustrated History of the Park City*.

**Ute Wartenberg Kagan, J.D.**, executive director, American Numismatic Society, will present a fascinating account of arguably the most valuable coin in the world – the 1933 \$20 gold Double Eagle, which last sold in 2002 at a Sotheby's auction for \$7.6 million. This bizarre and mysterious

saga begins in 1933 with the Gold Confiscation Act and ends in April 2017 at the U.S. Supreme Court. The intriguing tale includes alleged smuggling from the U.S. Mint, King Farouk of Egypt, shady coin dealers, government agents conducting a "sting operation" and, of course, a few lawyers. Dr. Wartenberg Kagan's primary research focus is on ancient Greek coinage, and she has spent most of her academic career in the museum world. From 1991 through 1998, she worked as the curator of Greek coins in the British Museum in London. Since 1999, she has been the executive director of the American Numismatic Society in New York. Educated in Saarbrücken, Germany, Dr. Wartenberg Kagan was a Rhodes Scholar at Oxford University, where she

received her doctorate in papyrology. She has published more than 50 books and articles on numismatics and papyrology, is a recognized public speaker, and is frequently interviewed for newspapers, radio and television. In connection with her active interest in current U.S. coinage, Dr. Wartenberg Kagan has testified about coin design before the Senate Banking Committee and has been appointed by the Secretary of the Treasury to various coin advisory committees.
