

DMA NCAA March Madness Tournament 2022

Your name: _____

*The pool is only for members & their families, no limit on entries.

- * Select 8 teams and fill them into the chart below in the Team Name column.
- * Please make **no entries** in the Seed column on the copy you submit as an entry.
- * Choose one of your eight teams as your choice for the tournament winner by circling it.
- * Every win by your team yields its seed number of points. So, if a team is seeded 5th, you get 5 points every time it wins.
- * The object is to aggregate the highest number of points from your eight teams by the end of the tournament.
- * You also will receive 25 bonus points if the team you circled wins the tournament.
- * Save a copy for yourself and turn in a copy on March 16th at the DCA.
